Every agent in the brokerage represents every "client" of the brokerage. Therefore, agents \_\_\_\_\_ and \_\_\_\_\_ will be working for both the buyer and seller as "dual agents." Dual agency is explained on the back of this form. As dual agents they will maintain a neutral position in the transaction and they will protect all parties' confidential information. # DUAL AGENCY

Ohio law permits a real estate agent and brokerage to represent both the seller and buyer in a real estate transaction as long as this is disclosed to both parties and they both agree. This is known as dual agency. As a dual agent, a real estate agent and brokerage represent two clients whose interests are, or at times could be, different or adverse. For this reason, the dual agent(s) may not be able to advocate on behalf of the client to the same extent the agent may have if the agent represented only one client.

**As a dual agent, the agent(s) and brokerage shall:**

- Treat both clients honestly;
- Disclose latent (not readily observable) material defects to the purchaser, if known by the agent(s) or brokerage;
- Provide information regarding lenders, inspectors and other professionals, if requested;
- Provide market information available from a property listing service or public records, if requested;
- Prepare and present all offers and counteroffers at the direction of the parties;
- Assist both parties in completing the steps necessary to fulfill the terms of any contract, if requested.

**As a dual agent, the agent(s) and brokerage shall not:**

- Disclose information that is confidential, or that would have an adverse effect on one party's position in the transaction, unless such disclosure is authorized by the client or required by law;
- Advocate or negotiate on behalf of either the buyer or seller;
- Suggest or recommend specific terms, including price, or disclose the terms or price a buyer is willing to offer or that a seller is willing to accept;
- Engage in conduct that is contrary to the instructions of either party and may not act in a biased manner on behalf of one party.

**Compensation:** Unless agreed otherwise, the brokerage will be compensated per the agency agreement.

**Management Level Licensees:** Generally, the principal broker and managers in a brokerage also represent the interests of any buyer or seller represented by an agent affiliated with that brokerage. Therefore, if both buyer and seller are represented by agents in the same brokerage, the principal broker and manager are dual agents. There are two exceptions to this. The first is where the principal broker or manager is personally representing one of the parties. The second is where the principal broker or manager is selling or buying his own real estate. These exceptions only apply if there is another principal broker or manager to supervise the other agent involved in the transaction.

**Responsibilities of the Parties:** The duties of the agent and brokerage in a real estate transaction do not relieve the buyer and seller from the responsibility to protect their own interests. The buyer and seller are advised to carefully read all agreements to assure that they adequately express their understanding of the transaction. The agent and brokerage are qualified to advise on real estate matters. **IF LEGAL OR TAX ADVICE IS DESIRED, YOU SHOULD CONSULT THE APPROPRIATE PROFESSIONAL.**

**Consent:** By signing on the reverse side, you acknowledge that you have read and understand this form and are giving your voluntary, informed consent to the agency relationship disclosed. If you do not agree to the agent(s) and/or brokerage acting as a dual agent, you are not required to consent to this agreement and you may either request a separate agent in the brokerage to be appointed to represent your interests or you may terminate your agency relationship and obtain representation from another brokerage.

Any questions regarding the role or responsibilities of the brokerage or its agents should be directed to:

It is being sold "as-is where-is – in its present condition". **All inspections of property shall have been done prior to bidding.** Each bidder is relying on his/her own inspection of the real estate for its physical conditions, character, suitability for purchaser's intended use, or for any other purpose and is not relying upon any representation of Coldwell Banker Schmidt Realty or its employees, agents, representatives, or staff.
2. This is a Reserve Auction, which means that the seller reserves the right to establish a stated minimum bid (reserve price), the right to reject or accept any or all bids under the minimum bid, or the right to withdraw the real estate at any time prior to completion of the auction by the auctioneer. Once the highest bid is received today, it will be presented to the seller and they may: 1) if the bid is at or above the reserve price the seller will accept the bid – the property is sold, 2) if the bid is below the reserve price the seller may reject the bid and the property does not sell, or 3) if the bid is below the reserve price, the seller may make a counter offer and negotiations begin.

6. All potential buyers who become bidders at this auction have received copies of these rules, had them orally presented to them on auction day, and by placing their bids agree to be bound by these rules – these rules serve as an addendum to the purchase agreement.
