REAL ESTATE AUCTION RULES

Date of Auction: 09/23/2026 Time of Auction: 5:30PM PPN 10004182

Property Address: 3460 Swallen Avenue, Louisville, OH 44641

1. The Property is being sold in its present condition with no warranties, whatsoever, except title, which is to be clear and marketable. It is being sold "as-is where-is – in its present condition". **All inspections of property shall have been done prior to bidding.** Each bidder is relying on his/her own inspection of the real estate for its physical conditions, character, suitability for purchaser's intended use, or for any other purpose and is not relying upon any representation of Coldwell Banker Schmidt Realty or its employees, agents, representatives, or staff.

2. This is a Reserve Auction, which means that the seller reserves the right to establish a stated minimum bid (reserve price), the right to reject or accept any or all bids under the minimum bid, or the right to withdraw the real estate at any time prior to completion of the auction by the auctioneer. Once the highest bid is received today, it will be presented to the seller and they may: 1) if the bid is at or above the reserve price the seller will accept the bid – the property is sold, 2) if the bid is below the reserve price the seller may reject the bid and the property does not sell, or 3) if the bid is below the reserve price, the seller may make a counter offer and negotiations begin.

3. Successful bidders must sign a purchase agreement, auction addendum, and agency disclosures copies of which are included in the bidder's packet immediately at the end of the auction. The final contract sales price will consist of the final bid price plus a 10% Buyer's Premium payable by buyer. The successful bidder must provide a non-refundable deposit of 10% of the final bid price via personal check, money order, certified bank, or cashiers check immediately at the end of the auction. The remaining balance to paid within 45 days from the sale date.

4. This sale is **not subject to any contingencies**, including but not limited financing, inspections, or appraisals. Buyer acknowledges that he/she had the opportunity to inspect the Property before the auction and waives the right to any further inspections. If buyer fails to perform for any reason, the non-refundable deposit of 10% will be forfeited as liquidated damages. Buyer understands the purchase is not contingent on an appraisal, so in the event buyer's financing appraisal price is inadequate, buyer will pay the difference at closing.

5. Successful bidder may pay cash at closing or may utilize **conventional** financing only; however the sale is not contingent on the buyer obtaining financing, or the appraisal of the property.

6. All potential buyers who become bidders at this auction have received copies of these rules, had them orally presented to them on auction day, and by placing their bids agree to be bound by these rules – these rules serve as an addendum to the purchase agreement.

7. Unless otherwise agreed to in writing, Coldwell Banker Schmidt Realty represents the seller only, and not the buyer.

8. Any unsold chattel shall remain with the property and shall become the property of the buyer; the seller shall bear no responsibility for its removal.

9. Closing and associated title work shall be completed by Chicago- ACT Title at located at 3560 West Market Street #105, Fairlawn, Ohio 44333 (330.253.6121).

10. Please be advised that Coldwell Banker Schmidt Realty records all auction proceedings to ensure the protection of all parties involved.

11. Buyer shall be responsible for conducting their own due diligence regarding the property, including but not limited to well and septic systems, buildability, zoning, utilities, and any other matters deemed important by the Buyer.

12. Successful bidder will pay \$50 review fee for well and septic waiver and agree to sign the waiver

DUAL AGENCY

Ohio law permits a real estate agent and brokerage to represent both the seller and buyer in a real estate transaction as long as this is disclosed to both parties and they both agree. This is known as dual agency. As a dual agent, a real estate agent and brokerage represent two clients whose interests are, or at times could be, different or adverse. For this reason, the dual agent(s) may not be able to advocate on behalf of the client to the same extent the agent may have if the agent represented only one client.

As a dual agent, the agent(s) and brokerage shall:

- Treat both clients honestly;
- Disclose latent (not readily observable) material defects to the purchaser, if known by the agent(s) or brokerage;
- Provide information regarding lenders, inspectors and other professionals, if requested;
- Provide market information available from a property listing service or public records, if requested;
- Prepare and present all offers and counteroffers at the direction of the parties;
- Assist both parties in completing the steps necessary to fulfill the terms of any contract, if requested.

As a dual agent, the agent(s) and brokerage shall not:

- Disclose information that is confidential, or that would have an adverse effect on one party's position in the transaction, unless such disclosure is authorized by the client or required by law;
- Advocate or negotiate on behalf of either the buyer or seller;
- Suggest or recommend specific terms, including price, or disclose the terms or price a buyer is willing to offer or that a seller is willing to accept;
- Engage in conduct that is contrary to the instructions of either party and may not act in a biased manner on behalf of one party.

Compensation: Unless agreed otherwise, the brokerage will be compensated per the agency agreement.

Management Level Licensees: Generally, the principal broker and managers in a brokerage also represent the interests of any buyer or seller represented by an agent affiliated with that brokerage. Therefore, if both buyer and seller are represented by agents in the same brokerage, the principal broker and manager are dual agents. There are two exceptions to this. The first is where the principal broker or manager is personally representing one of the parties. The second is where the principal broker or manager is selling or buying his own real estate. These exceptions only apply if there is another principal broker or manager to supervise the other agent involved in the transaction.

Responsibilities of the Parties: The duties of the agent and brokerage in a real estate transaction do not relieve the buyer and seller from the responsibility to protect their own interests. The buyer and seller are advised to carefully read all agreements to assure that they adequately express their understanding of the transaction. The agent and brokerage are qualified to advise on real estate matters. IF LEGAL OR TAX ADVICE IS DESIRED, YOU SHOULD CONSULT THE APPROPRIATE PROFESSIONAL.

Consent: By signing on the reverse side, you acknowledge that you have read and understand this form and are giving your voluntary, informed consent to the agency relationship disclosed. If you do not agree to the agent(s) and/or brokerage acting as a dual agent, you are not required to consent to this agreement and you may either request a separate agent in the brokerage to be appointed to represent your interests or you may terminate your agency relationship and obtain representation from another brokerage.

Any questions regarding the role or responsibilities of the brokerage or its agents should be directed to: attorney or to:

Buyer understands that Buyer is free to work with a real estate agent of Buyer's choosing; however, Buyer has independently decided to remain unrepresented at this time.
